

VA Health Care & CHAMPVA

VA health care can be low-cost or free — and your family may be covered too. Below is how to enroll and what's available. Tick the box once you've checked each one.

⚠ WATCH OUT FOR

Watch for scammers posing as “VA” asking for payment or personal info by phone or text — the VA won’t do that. Enroll only through VA.gov or 1-877-222-8387.

★ A TIP THAT HELPS

Apply even if you were turned down or didn’t qualify years ago — the PACT Act expanded eligibility significantly, and many veterans are newly covered.
